

# YAANRUP - Service & Pricing Guide

## Standard Thumbnail | \$5 USD

A custom, high-converting thumbnail engineered specifically for your video's core narrative and target audience.

## A/B Variation | \$10 USD

An alternate version optimized for split-testing. Highly recommended for creators who want to aggressively maximize their Click-Through Rates (CTR) through data-driven experimentation.

## Long-Term Partnerships

Building a channel requires consistency. For creators with a regular upload schedule, dedicated retainers are available. We can build a custom, discounted pricing structure designed to scale alongside your brand's growth.

## Workflow & Turnaround

- Your first draft is delivered within 24 to 48 hours.
- **Unlimited revisions.** We tweak the design until you are fully satisfied and the asset is perfectly dialed in.

## Add-Ons

- **The Vault (+\$20 USD):** Fully layered, editable source PSD file and all associated raw assets.
- **Rush Delivery (+\$10 USD):** Pushed to the front of the queue for expedited execution.
